A MESSAGE FROM THE PRINCIPAL

Beginning next week, our students will commence state testing with the Next Generation MCAS (Massachusetts Comprehensive Assessment System). The Next-Generation MCAS test builds upon aspects of prior MCAS assessments. The test includes items developed by PARCC, along with new items specifically created to assess the Massachusetts learning standards. If you are interested in taking a peek at a sample ELA, math, or STE practice test for your child's grade level, the Department of Elementary and Secondary Education has posted sample tests [here](#). The practice tests give a glimpse into this year's assessment and are worth checking out.

All in all, the MCAS is designed to measure student performance based on the Massachusetts Curriculum Framework learning standards and to provide information on the performance of individual students, schools, and districts. MCAS offers us an excellent opportunity for our students to show just how capable they are by demonstrating all that they have learned throughout the school year.

As parents/guardians, you can help!

- Ensure that your child attends school promptly on the scheduled testing day(s) for his/her grade level;
- Be sure that your child has had lots of rest prior to each test. A good night's sleep does wonders for the brain;
- Provide your child with a well-balanced, protein-packed breakfast on the morning of each test. We will not be providing a morning snack this year, so a healthy and hearty breakfast is especially key;
- Send your child to school with a bottle of water to stay hydrated;
- Ensure that your child leaves his/her eReader and wearable technology (eg., Smartwatch) at home. They will not be allowed in the classroom during MCAS;
- Continue your normal daily routine at home by ensuring a stress-free environment filled with lots of positive encouragement.
- Our testing schedule for April and May is listed below.
- ALL TESTING SESSIONS WILL BEGIN PROMPTLY AT 8:00 a.m.

LBMS MCAS Testing Dates

	ELA	MATH	STE

Grade 7	April 3, 5	May 10, 12	N/A

The last day for ELA make-up exams for any student, regardless of grade, is May 2. The last day for mathematics and STE make up exams is May 25.

The MCAS are extremely important and teachers have worked hard to ensure that our students are well prepared. I ask all parents to make a special effort to ensure that students are in attendance on test days and that students arrive to school on time.

Thank you for your continued support.

Best Regards,

LBMS Spring Musical, "You Ain't Nothin' But a Werewolf"

Luther Burbank Middle School Drama is proud to present *You Ain't Nothing But a Werewolf* on Friday, March 31, and Saturday, April 1, at 6:30 p.m. in the MRE and LBMS auditorium. Tickets will be available at the door for \$4.00 for students and seniors and \$6.00 for adults. For more information, email lbmsdramaclub@gmail.com.

A spoof of 1950's B movies, *Ain't Nothing but a Werewolf* tells the story of the hero, Rupert Lydecker who is called a loser, so he visits the eerie hilltop asylum of the old and ancient Doctor Murdock Dangerfield. Hoping to change his personality, Rupert gulps down some icky goop and transforms from boy to hairy beast! A revitalized and confident Rupert hurries to the rockin' and rollin' Teen Canteen where he is discovered by Daisy, a musical talent scout, and the fun roars until Rupert realizes he needs to be true to himself. Will Rupert be able to return to being a normal teenager? (If there is such a thing!) Will he get the girl who has a secret crush on him? Will the bully get his come-uppance? Filled with upbeat, rockin' songs with tunes families will find familiar, this show is guaranteed to keep your feet tappin' and your fingers snappin'.
