Athletic User Fees

A user fee (amount determined by the Nashoba Regional School Committee) will be charged to those students participating in some extracurricular activities. However, no student will be denied participation due to an inability to pay user fees. Delayed payments and scholarships will be made available. Any parent or guardian having difficulties paying a user fee should contact the principal or assistant principal.

This year the User Fee for all students in all Inter-Scholastic Sports is \$55.00.

Make checks payable to Luther Burbank Middle School.

Payment must be received by the principal before participation in team tryouts is allowed.

Athletes who do not make a team after tryouts are held will have their checks returned to them.
